BOOK SYNOPSIS

Advanced Placement Classroom: Julius Caesar allows teachers to take a fresh approach to one of Shakespeares most famous plays by moving beyond basic history and memorization of quotes. Students will engage in performance approaches to the text, recreate the storys events in a news show format, participate in collaborative literature workshop activities, and create their own blogs to discuss the plays relationship to contemporary life. The author also provides easy-to-use discussions of Shakespeares language and how Julius Caesar can be studied from different critical perspectives.
