BOOK SYNOPSIS

A billionaire vampire. An ordinary girl. In Blood Price (Coras Choice Billionaire Vampire Series #6)... Saved from death by the billionaire vampire Dorian Thorne, Cora Shaw is bound to him, body, mind, and soul. She can free herself from his eternal demands—but only by breaking everything that is between them, forever. Never again will she feel what only he can do to her, never again touch him, speak to him, be with him—and never again must she give her blood or fear her will being overcome by his. It is a decision that can be made only once. Does she want her old life enough to give up Dorian and his new world? Or is the cost of losing him too high? Even while she hesitates, there are those who are hatching schemes that will tear both her worlds apart... Coras Choice Serial Novellas - Aethereal Bonds Blood Price (Coras Choice Billionaire Vampire Series #6) is a new adult vampire paranormal romance / urban fantasy that features a billionaire alpha vampire hero, a college student heroine, a love triangle, and a dangerous bargain. Intended for a more mature audience than Stephenie Meyers Twilight Saga, Blood Price (Coras Choice Billionaire Vampire Series #6) takes the "every girl" heroine in a direction more reminiscent of Anne Rices Vampire Chronicles or Sherrilyn Kenyons Dark-Hunter Series.
