## BOOK SYNOPSIS

Sammy Raphael is a crappy witch. And on top of that, he can't get a boyfriend. Where other supernaturals can bring down lightning and manifest wealth, Sammy can paint. True, the "prophetic" paintings he does at night always come true, but they never predict anything important. Then he paints a gorgeous guy and it turns out to be his secret crush, Ryder. But the guy has changed so much he's almost unrecognizably beautiful. And then Sammy paints an angel who turns out to be a witch. But is that witch also a devil? And why the hell does Ryder keep changing? Aloysius, the black cat familiar, always backs the winner. So why is he backing Sammy?
