BOOK SYNOPSIS

Junkyard Lucy is a collection of stories by underground writer Tony Nesca. Stylistically alternating between Nescas unique free-flow style, full of that incredible, rhythmic prose that only he can do, and street-tough, short declarative sentences, the writing shows incredible range. The themes are varied and widespread - from love, sex, music, death, old age, rebellious youth and everything in-between, Junkyard Lucy is a subversive celebration of being alive, a romantic, sexually charged discourse on life, alive, unfettered and free.
