## BOOK SYNOPSIS

Hybrid Kyros is dead. At least that's what the world believes. In truth, he's on a secret mission to keep his people safe. It's been tough, but he's been able to put aside his own concerns and concentrate on the mission. Then a sexy new school teacher shows up and shifts his focus to her instead of the mission. Jasmine Moore is looking forward to turning a new page in her life. After spending several years teaching at a prep school, she's excited to teach pupils who are excited about learning. She never expected to run into a handsome and mysterious hybrid who makes her heart race and knees weak. Duty and passion collide when Kyros draws Jasmine into his secret mission, but lust won't protect the couple from the sinister dangers threatening Luna Lodge.
