BOOK SYNOPSIS

Potty training can be crappy but it doesn't have to be. You CAN potty train your child, and you can teach them the basics in just 3 days. So take a deep breath, keep your chin up, and put your game face on. You are the parent. You can do this. Potty training is not easy. You might feel overwhelmed after repeated unsuccessful potty training efforts, or even clueless about how to get your little stinker to go in the potty. Either way, you've found the right book. Potty Training in 3 Days is a simple guide to potty training your child for the first, last, and only time. During her many years working as a nanny, Brandi Brucks had no clue that your child's business would end up being her business, too. But after caring for numerous children of potty training age one thing had become abundantly clear potty training was her calling. She's successfully potty trained more than a hundred children, and she's helped their parents get through it without losing their minds. Yes, potty training is tough. But Brandi knows that parents are tough, too. Potty Training in 3 Days outlines her intensive, effective potty training method with clarity, humor, and understanding. Consider this book your potty trainer for hire that will be by your side before, during, and after your child's potty training. **BEFORE** Know what signs mean it's potty training time, how to set the tone for fun and success, and the key phrases that will help your big kid in training the most. **DURING** From ditching the diapers to pushing the fluids, and bathroom reminders to accident rescues this is what you've been preparing for. It will be fun. It will be challenging. It will be worth it. It's only 3 days you've got this. **AFTER** You made it! (almost) These tried and true techniques for nighttime accident prevention, going potty at school, and more will make sure that all of your hard work pays off with potty training that lasts. Let Brandi's hard earned wisdom take the guesswork out of potty training your child. Read the book, choose your days, keep up on your work you'll soon be able to count yourself as one of the many parents who've learned that potty training can be as simple as 1, 2, 3. "
