Spice and Wolf is ten years old! To commemorate this anniversary, Yen Press is producing a lavish tome collecting all seventeen original volumes of Spice and Wolf. Beautifully bound and impressively designed to give the impression of a medieval manuscript, the book will also include all of illustrator Jyuu Ayakuras original illustrations. This book will be the crown jewel in any collectors library! The light novel series story centers around the travels of the merchant Kraft Lawrence, who strikes a deal with the wolf god Holo that sees him transporting the homesick goddess back to her remote northern homeland. Uniquely exploring medieval trade, commerce, and religion, Lawrence plies his trade with Holo (in both human and wolf form) often becoming a decisive factor in his endeavors, but in the end, it is the story of these two memorable characters and their relationship to one another.
