Being a teen is stressful! Whether it's school, friends, or dating, the teen years are full of difficult changes—both mentally and physically. If you're like many teens, you may have difficulty dealing with stress in effective ways. You aren't alone, and there are things you can do to stay calm, no matter how stressful life becomes. All you need to do is stop, breathe, and be mindful and aware in the present moment. The Mindful Teen offers a unique program based in mindfulness-based stress reduction (MBSR) and mindfulness-based cognitive therapy (MBCT) to help you deal with stress. The simple, practical, and easy-to-remember tips in this book can be used every day to help you handle any difficult situation more effectively—whether it's taking a test at school, having a disagreement with your parents, or a problem you are having with friends.
